

## **Louise Woollard PEN PORTRAIT**

After viewing various schools, Rushmere Hall was our first choice. I want to work for the good of the school, because when the school flourishes, then our children flourish.

I particularly care about:

- wide range of opportunities for children such as sport and music
- environment and waste reduction
- enjoying the outdoors
- getting good value for money
- consideration for the wide range of beliefs at RHS

I have begun to help with school fundraising. I have been a youth worker and involved in the Duke of Edinburgh's Award both as a participant and a leader.
