What people like and admire about me..

- I am kind to people and I try to make time for everyone
- I work hard because I want to do the best job I possibly can for everyone at school.
- I am fair and don't have favourites – everyone is my favourite!
- I am funny and I like to have fun, but I can also be quite serious.
- I know what I'm talking about because I work hard to find lots of things out – I don't make things up if I don't know!
- I think I get the best out of people because I have high expectations but also give them lots of help and support.
- I am level-headed and generally cheerful! I'm not a moody person and I certainly won't take a bad mood out on someone else.

Things I would like you to know about me..

- I teach in Year 6 one day a week and I am Deputy Head for the other 4! I love both parts of my job equally.
- Because I only teach for one day I tend to pack a lot in...so be prepared to work hard!
- I genuinely like teaching ALL the subjects...I have even tried teaching Country Dancing recently!
- I love running clubs at school.

What makes me happy..

- Coffee
- Music and singing, especially children singing!
- Going to London – I love it! I used to live there but I much prefer being a tourist now!
- Children feeling really proud of themselves for work they have done
- Planning parties – any excuse will do!
- Weekend breakfasts with my family

How I think I work best...

- I really like working with other people because I like talking things through and listening to other people's ideas
- I like to have a deadline for tasks to keep me focussed
- Sometimes I like to work very quietly, on my own
- I like making links between things, for example linking a piece of music with an artwork, or a poem with a science experiment!
- I never assume I'm right, so I'm ok with making mistakes and learning from them.
- I make lots of scruffy notes but I take real pride in presenting the final piece of work beautifully
