

My One Page Profile

Name: Ms. Mackay

Rushmere Hall Primary School

What people like and admire about me..

- I am friendly and helpful; I always try to help people solve problems or finish jobs.
- I am a good team player; I work best as part of a team where we can share ideas.
- I am a supportive colleague and friend. I make time for people and support them when they are finding things tough or tricky and I have been told I can always lift my friends' moods if they are feeling a little under the weather.
- I am a dedicated teacher and mum! I love my job and always want to do the best I can and I also love being a mum and also try to do my best at that job too so I have had to learn how to balance the two effectively!
- I am adaptable, I have worked with children from nursery age, to reception and I have taught year groups 3 and 5 and now 4!
- I am approachable, people feel that they can always come and talk to me about things that are worrying them and I will always try to help.

Things I would like you to know about me..

- This is my third year teaching and my fifth year at Rushmere Hall.
- I have 2 boys aged 10 and 12 who keep me very busy at home!
- We have a pet Leopard Gecko called Dart.
- My favourite subject to teach is History.
- I love Marvel films!

What makes me happy..

- Trips to Legoland, we call this our happy place!
- Long walks with my boys.
- Movie nights with popcorn and blankets.
- I love to read so, a good book and some quiet time to myself make me very, very happy!
- Music and dancing.
- Days at the seaside with the boys, paddling in the sea and eating fish and chips or ice cream!
- Spending long summer days with our friends.

How I think I work best...

- I am more confident and work best when I understand exactly what I need to do.
- It helps me to be able to see an example that I can work from.
- Depending on the task, it motivates me when I can work with others to share ideas and knowledge, but if I am writing then I really like to have a calm and quiet environment and not to be disturbed (not easy in a house with my two boys!)
- If the task is something creative or artistic I like to work to music.
- I like to know how long I have to complete a task so I can plan and use my time effectively.
- I like to feel organised, have a plan for what I am going to complete and to have all of the equipment I need ready.
- I like to know that I have done a good job, this motivates me to do well.
- If I feel comfortable asking questions when I am unsure of something, I feel more confident.
